LOT # QUANTITY MANUFACTURER MODEL SERIAL NUMBER DESCRIPTION

- Lot 1 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 8,453 Gal. (32,000 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 6” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 2 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 8,453 Gal. (32,000 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 6” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 3 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 7,804 gal. (29,540 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 6” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 4 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 7,804 gal. (29,540 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 6” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 5 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 7,804 gal. (29,540 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 6” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 6 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 7,804 gal. (29,540 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 12” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 7 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 7,804 gal. (29,540 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 14 ft. High, Vertical Tank Mounted on Four Supports, Approximately 12” off the Ground with Pipe Attached to Bottom Mounted Drain.
- Lot 8 – VERSA FIBERGLASS PRODUCTS Fiberglass Resin Tank, Model 120VT302A, Serial #6301, 3,000 Gal., Vertical Tank with Flat Bottom that sits Directly on the Floor with Attached Pipe, Lower Manhole Access.
- Lot 9 – PROLITE PLASTICS LTD. Fiberglass Resin Tank, Feb. 1984, 10,567 Gal. (40,000 L.), Design Pressure – Atmospheric, Design Temperature – 85°F., Resin – Derakane 411-45, 11 ft. Diameter, 16 ft. 6 in. High, Vertical Tank with Flat Bottom, sits Directly on the Floor with Attached Pipe, Lower Manhole Access.
